

SECTION J: ANNEXURES

The following documents forms part of this IDP, thus this IDP must be read together with these documents

(a) Spatial Development Framework, Developed 2007/08 financial year.

Since 2007/08 financial year, the Spatial Development Framework (SDF) was not reviewed due to unchanged development plans within the municipality. However, a new area for development has been identified within the municipality and this will necessitate review of the SDF and Department of Rural Development has already been approached to assist with the review process of the SDF and this is anticipated to happen in the 2011/12 financial year.

(b) Disaster Management Plan.

The municipality has adopted the Lejweleputswa District Municipality Disaster Management plan as their framework plan.
